The Naselle-Grays River Valley School District will be providing breakfast and lunch opportunities beginning on Wednesday, March 18 and occurring every weekday while school is out of session. Food for both meals will be delivered to the drop off locations listed below. Free breakfast and lunch will be made available to all families where any children ages up to 18 years old reside, regardless of one's financial status.

In order for meals to be distributed, children must be visible to the delivery person. In other words, a parent alone cannot come and collect the breakfast and lunch for all children in the household.

Meals must be ordered by phone prior to 9 a.m. the day of the delivery at either of the following numbers: (360) 484-7121 or (360) 777-7127.

Food delivery will leave the school at 11 a.m. and is predicted to arrive at each destination at the following times:

Bay Center Boat Launch	11:20 a.m.
Rosburg Store	11:15 a.m.
Assembly of God Church	11:05 a.m.
Chinook Coffee Shop	11:20 a.m.

Families are to get the meals from the stop that most closely aligns with their bus route. Food will be a sack lunch variety consisting of items such as cereal, milk, juice, sandwich, muffin, or crackers.

We greatly appreciate your patience in this unprecedented time.
